Hi Pam.

Please take a look at the draft letter attached with Tina's comments. I did talk to her about them – let me know what you think. This letter is very similar to other letters that we have historically sent out.

Thanks.

**Subject:** DRAFT Consultation Letter

I have prepared a draft consultation letter for Acoma Pueblo that we would like to send out in the next several weeks. Could you take a look at the draft letter and let me know if you have any comments/changes? I will prepare the exact same letter for the Laguna Pueblo when I get this one ready to go. Let me know if you have any questions.

Thanks.
